

Helping hands

wilkinson
YOUR GOOD NEIGHBOUR 

By supporting local organisations that make a difference to people's lives, we help our local community achieve its potential. If you're part of an organisation based near one of our stores and would like a little help, we'd love to hear from you.

Who can we give a helping hand to?

Our funding helps projects that change and improve the lives of people living and working close to our stores. We're especially keen on supporting projects that help young people, families and the elderly.

We're happy to help local schools, playgroups and nurseries, parent or family groups, disabled groups, youth clubs, elderly groups, luncheon clubs, community and tenants' associations plus appeals from the local police, fire service and local councils.

Unfortunately we can't help out individuals, expeditions, political parties, private or fee-paying schools, profitable organisations, branches of national charities or third party private fundraising groups.

How does it work?

If you'd like to apply to Wilkinson Helping hands, all you need to do is fill out the application form and hand it in at our help desk. We get together every three months to go through the applications, and you'll need to hand in your form before the last Saturday of every month.
