MAKE A SECRET DECODER WHEEL

**CREATE SECRET CODES USING THIS DECODER WHEEL.
IT'S REALLY EASY TO MAKE...PERHAPS YOU CAN GET A FRIEND TO ALSO
MAKE ONE AND THEN YOU CAN SEND MESSAGES TO EACH OTHER**

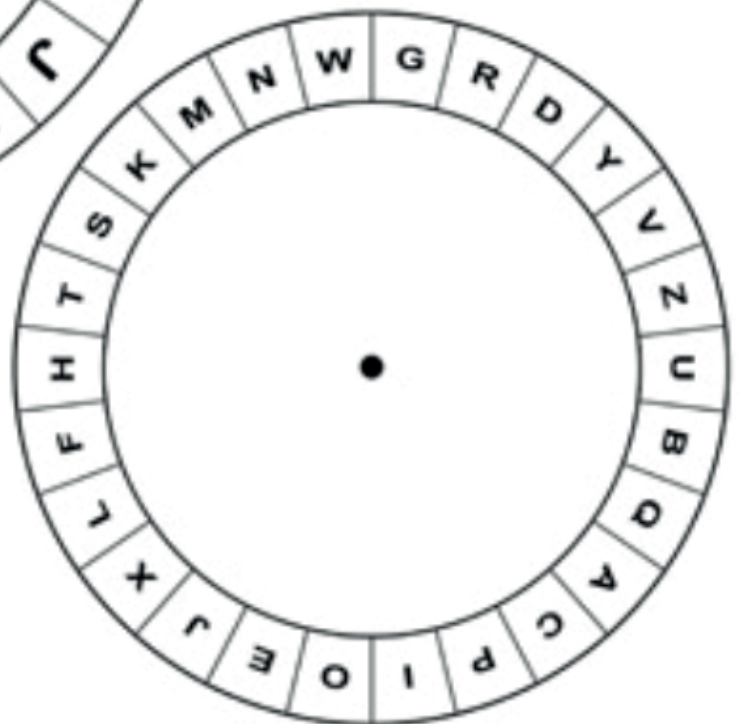

1. Print this page on paper or card
2. Cut out the two circles
3. Centre the small circle on top of the larger circle and secure through the centre with a paper fastener or straw

HOW IT WORKS

Select a key combination by lining up any letter on the larger dial with a letter of your choice on the smaller wheel.

Tell a friend which two letters you lined up and once their dial is set to match you can write and decipher messages by using the letters on the inner dial in place of the letters on the outer dial.
